Principal: Mr Richard McManus

Good afternoon,

For those students that are conducting home testing, A box containing 7 self-test kits have been issued today, or yesterday, for your child to use at home during the month of September.

**The testing should be completed twice weekly every Sunday evening/Monday morning and Wednesday evening/Thursday morning.**

It is important that you report the result of the test **even if it is negative**. To do this you will need the identification code below the QR code (3 letters followed by 8 numbers) on the test cartridge to report your result to **BOTH** the government, through this link, [Report a COVID-19 rapid lateral flow test result - GOV.UK \(www.gov.uk\)](https://www.gov.uk/report-covid-19-rapid-test-result), **AND to school through this link Report your test result to school.** If you have any issues with the test please record them in the notes section of the online form.

Many thanks for your support of the testing at home,

Mark Rignall  
Deputy Principal
